PRIVACY POLICY / COOKIES

Please be advised that by entering our website You accept the so-called "cookies" - small text information sent by a web server and saved on the User's side. The "cookies" parameters allow the information contained in them to be read only by the server that created them. It makes the information contained in "cookies" available only to the website they come from. They also enable the server to remember individual information about the internet connection session for statistical purposes. If You do not agree to this, You can disable "cookies" in your browser. However, you should be aware that this will affect the functioning of cookies on other websites You visit.

Only for statistical purposes and to improve the quality of the website, we use the basic analytical tools of the internet service provider – „Nazwa.pl".

The privacy policy and personal data protection of „Nazwa.pl" can be found here:

We also declare that we do not collect other data using this website. The website does not contain any other (internal and external) plugins, probes, forms, add-ons and data gathering tools.

We also do not use Google Analytics / FaceBook analytical tools.

At the same time, in order to provide visitors with the maximum possible protection of privacy, this website has the currently most secure SSL certificate, used to encrypt data sent between the website visitor and the web server.

The nazwaSSL Premium certificate (RSA 2048-bit encoding) provides secure protection, enhanced by ECDSA encoding. The innovative ECDSA (P-384 Elliptic Curve Public Key) encryption is a breakthrough in cryptography, providing a billion times more security than the commonly used RSA encryption.
